

Currier and Ives Trail

Scenic and Cultural Byway

Informational and Kick-Off Meeting

The Currier and Ives Trail is a 30-mile long route through the historic villages of Salisbury, Webster, Contoocook, Hopkinton, and Henniker. The state has designated it a Scenic and Cultural Byway for its important scenic, historic, cultural, recreational, and natural features.

With assistance from the Central New Hampshire Regional Planning Commission, the Currier and Ives Byway Committee will create a vision and corridor management plan for the Byway.

Please join us to plan for the future of the Currier and Ives Trail!
